AGENDA (continued)

- SETA/SPeD updates

- Training
  - SCI Security Refresher Course
  - DoD SCI Security Officials Training
  - DNI Security Education & Training Program

- Scattered Castles Program

POLICY UPDATES

- **AR 380-28 (In DRAFT)**
  - Language is being changed to reflect Army specific requirements and will not repeat DoD or DNI stated policies
  - This allows for rapid changes of AR in the future
  - DRAFT AR submission to official Army Publications process pending review/decision on SCI Contracting mission

- **Army SSO Review**
  - Review, analyze and assess Special Security Office (SSO) related policies, regulatory guidance and functions
  - Identify best practices and efficiencies that may be applied to the Army with an enterprise approach
  - Solicit Command input and participation during the review
  - Review includes a courtesy look at Air Force and Navy SSO programs

- **Integrated Commercial Intrusion Detection System (ICIDS-IV)**
  - Used by Security and Law Enforcement agencies at DoD facilities to provide a Standard Intrusion Detection System (IDS) capability
  - OPMG will resource SCIF IDS and access control when used w/CAC

POLICY UPDATES

- **SCI Contracting Mission**

  * Currently reviewing the SCI contracting mission at INSCOM Contractor Support Element!

  - ACAVS will be upgraded to improve day to day business operations for SCI contracting
  - ACAVS will be renamed “Army Centralized Contracts & Security” (ACCS) Portal
  - SSO's must have a group (NIPRNET) e-mail address
  - SSO's must register in ACCS
  - Organization’s Industrial Security Rep/Specialist will need to register in ACCS to monitor and certify prime/sub DD254‘s
  - Requirement for Command SIO to appoint a primary and alternate Contract Monitor (CM) for each SCI contract
  - Volunteers will be needed once the new system is ready for pilot testing

POLICY UPDATES

- **T-SCIF Training Development**
  - Training modules for SSOs/SSRs in development at Defense Security Service, Center of Development for Security Excellence
  - BETA testing concluded on 18 May 2012 (Great participation)
  - Tentative launch: Oct 2012
  - Will become a mandatory requirement for SSO/SSRs

- **Army Protection Program Assessment visits**
  - Review of approved Security Benchmarks for SCI Program, Personnel and Information Security and Foreign Disclosure
  - G-2 assessor (Cliff McCoy)
  - APPA FY12 schedule (included)

- **SCI Policy Portals on NIPRNET/AKO**
  * Contains latest SCI Policy updates
  - www.dami.army.pentagon.mil/site/SCI
  - https://www.us.army.mil/suite/page/656165
